Final External Auditor Report and Certificate 2022/23 in respect of Earls Colne Parish Council EX0061

Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

External auditor's limited assurance opinion 2022/23

On 27 September 2023, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2023. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR has not been signed in accordance with the Accounts and Audit Regulations 2015:

- Section 2 was not signed by the Responsible Finance Officer before approval.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR:

- Section 2, Box 9 does not agree to the fixed asset register. The smaller authority has confirmed that the figure in Box 9 should read £1,585,196.

Other matters not affecting our opinion which we draw to the attention of the authority:

We note that Section 1, Box 9 and Section 2, Boxes 11 (a) and (b) in respect of trust funds has been left blank, the smaller authority has confirmed that it does not act as sole managing trustee for trust funds, and thus the responses should have been 'N/A', 'No' and 'N/A' respectively. The smaller authority should ensure the AGAR is fully completed in future.

The smaller authority has confirmed that it has not complied with the governance Assertions in Section 1, Boxes 1-8, but it has provided the appointed auditor with an explanation for non-compliance and details of the actions necessary to address

weaknesses identified. Information has come to our attention indicating that the smaller authority has not published explanations for the 'No' responses given in respect of Assertions 1-8 on the Annual Governance Statement. The smaller authority should consider its response to Section 1, Assertion 3 when completing the 2023/24 AGAR.

In the completion of the Annual Internal Audit Report, and their detailed report, the internal auditor has drawn attention to significant weaknesses in relation to the overall financial management of the smaller authority. The smaller authority must ensure that action is taken to address these areas of weakness in a timely manner.

External auditor certificate 2022/23

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.

Section 3 – External Auditor's Report and Certificate 2022/23

In respect of

Earls Colne Parish Council – EX0061

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2022/23

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Please see below.

Other matters not affecting our opinion which we draw to the attention of the authority:

The smaller authority has submitted its AGAR and supporting documentation prior to 30 September 2023; however we are unable to complete our review work on the AGAR and supporting documentation as a result of prior year review(s) not being completed and are therefore unable to certify completion of our review work in time to enable the smaller authority to publish the required documentation in line with statutory requirements. Please note, we are not able to certify completion of our review until all prior year reviews have been completed. Once we have confirmation prior year review(s) have been certified as complete and have completed our review, a final report will be provided with the certificate of completion detailing any qualifications and 'other' matters.

Our fee note for the limited assurance review will be issued when we certify completion.

3 External auditor certificate 2022/23

We do not certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.

We do not certify completion because:

We have received the AGAR and supporting documentation, but as prior year review(s) have not been completed we have been unable to complete our review work prior to 30 September 2023
